Keel	Full keel

Propulsion

Engine	Yanmar 1GM10
Fuel	Diesel
Fuel capacity	35 litres

Accommodation

Number of berths	4
Number of cabins	2
Drinking water capacity	70 litres

Description

Based on similar lines to the Folkboat, Contessa 26's are very sea kindly due to long keel with cutaway forefoot. Despite her long keel, she is relatively easy to manoeuvre in marinas. The relatively narrow beam creates an easily-driven hull and the helm remains light and balanced. Jasmine carries full sail happily into Force Five and is then easy to reef with roller reefing Genoa and slab-reefing main. Regularly clocking speeds in excess of 6kts plus in force 4 to 5 conditions.

Jasmine has been used for family cruising around the channel islands for the last five years. And is currently moored at St. Aubin's Harbour.

Accommodation

2 single berths with lee cloths in fore-peak. Two single berths in saloon.
Heads to port behind forepeak.

The original two-burner gas hob and grill has been replaced with a single methylated spirits burner. The gas cooker is in very good condition and the gas pipework remains in place should a future owner wish to reinstate it. Single sink to port.

70 litre fresh water tank
35 litre diesel tank
Manual Whale babyfoot foot pump supplies tap.

Good sized chart table to starboard.
Port and starboard cockpit lockers and generous lazarette locker at the stern.

Equipment

Cockpit cover

15Kg CQR Bower anchor with 8mm and 6mm chain rode.

Two sheet winches on cockpit coamings.

Two spinnaker sheet winches on cockpit coamings

Two halyard winches on coachroof.
