Clock and barometer in saloon. Storage cupboards below chart table.

Heads has an RM69 sea toilet, an oval plastic sink with hot and cold water. Shower in braided hose pipe empties by electric pump. Large mirror for wash bags, toiletry and storage behind. Storage also below the vanity unit. Hanging wet locker for oilskins and Perspex washboards for when in port. Pressurised hot and cold water. Heating by gas immersion heater in aft cabin and vented in cabin roof.

Gas alarm in saloon area.

Flexible water storage tank beneath double berth in aft cabin (100l) Also extra jerry cans in Heads area.

Further information

Description

Lifting keel version of the popular Gib'Sea 282, with lifting rudder blade having very shallow draft. Very quick to operate from cockpit and possible without winch. Ballasted grounding plate under hull.

Excellent accommodation layout for family sailing.

Well equipped and ready to go.

Sails

Mainsail is fully battened and sited in an “Easyboom” for furling and reefing from cockpit.
Headsail is Plastimo furling and reefing roller operated from cockpit.
These two sails are operated from cockpit.
Cruising chute.
Storm jib (unused)

Rigging

Z Spars mast with single spreaders and flag halliards.
Standing rigging was replaced in 2011.

Firdell Blipper radar reflector and JRC 2000 radar sited on mast and displayed at companionway.

Stainless steel pulpit and stern quarter pushpits with removeable transom guard rails. Stanchions on sides. Full length jackstays on both sides.
